Re: Close Out of BLM Case File for Mining Notice UTU-69833 (UDOGM File Number S/019/028), T26S, R20E (SLM), Section 9: NE1/4, Grand County, Utah

Dear Mr. Reese:

A field examination, conducted on September 27, 1994, revealed that U. S. Borax had performed all necessary land surface reclamation with regard to this mining notice. Therefore, United States Borax & Chemical Corporation is released from any further reclamation responsibility under UTU-69833, and the BLM case file is closed out. Should you have questions, please contact Mr. Venticinque at (801) 259-8193.

Sincerely,

/s/ BRAD D. PALMER
